D-DAY 80 | BE A PART OF HISTORY

Germany & France

10 days | Berlin | Normandy | Paris

This journey will take you deep into the complex and difficult history of wartime Germany and France. Experience Berlin, a unique city that survived and thrived after years of war and division. In Normandy, participate in the commemoration ceremonies of the 80th anniversary of D-Day and special World War II-themed programming. End your tour exploring some of Paris' most iconic sights.

Lessons come to life

On June 6, 1944, American, Canadian, and British forces made history as 156,000 soldiers landed on the heavily fortified coast of Normandy, France. This was one of the largest amphibious military assaults on record, marking the beginning of the Allied invasion of Western Europe.

In honor of D-Day's 80th anniversary in 2024, join students and educators from across the country to explore the historic sites of World War II. You'll gain a new perspective on history and your place in it as you connect with the local community, participate in ceremonies, and rediscover a significant moment that shaped decades of global affairs. EF's exclusive educational partnerships and deep local access ensure you'll be part of the action during this unforgettable event.
